MESSAGE TO THE YOUNG PEOPLE OF OUR PARISH:

In his message to the many young people gathered at the WYD in Panama, Pope Francis included these words: *"You dear young people.... are the NOW of God. God invites you and calls you.... with your grandparents and elders; to stand up and with them to speak out and realize the dream that the Lord has dreamed for you."*

We wholeheartedly agree with this message and we say to the youth and young adults of our parish: *Know that we love and appreciate you and we encourage you to fully participate in helping us shape the future of our parish. Reach out to other young people, telling them of the love of Jesus*
